971.219.6666

I am a creative and analytical leader, well-spoken, outgoing, a perpetual student and often a complete geek. Experienced in visual design, UX/UI design, data visualization, product development, strategy, and stakeholder management. I have over 20 years design experience.

## A Value Based Data Visualization

**Extra Curricular**

Proud husband/father of four
Rugby Referee
Avid reader
Vinyl collector
Lover of tacos
